RE: South Lisbon Mine
San Juan County, Utah
ACT/037/018

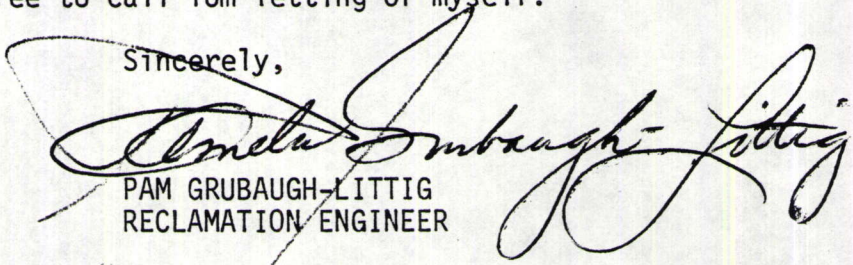

Dear Dianna:

This letter is to confirm the receipt of Investment Certificate No. 71672 in the amount of \$2,700.00 and the completed form MR7A. The certificate is adequate and fulfills your obligations to meet the reseed-ing costs and additional monitoring for the South Lisbon Mine.

There are some changes on the form MR7A, however. The pages 3 to 5 were retyped with the first portion deleted. Your signature will be needed along with the date and the seal of the Corporation affixed to the document. When this is completed and returned to the Division, we will forward the original CD to you for signature.

I appreciate your timely consideration in this matter. If you have any questions please feel free to call Tom Tetting or myself.

Sincerely,

PAM GRUBAUGH-LITTIG
RECLAMATION ENGINEER
